Dear U.S. Clerk:

This Court in its order March 31, 2014, ordered the Sheriff within 30 days to serve the petitioner with a complete transcript of Feb 2, 2009, sentencing hearing of my 2008 conviction, September 28, 2004, plea and sentencing proceeding Feb 15, 2011, evidentiary hearing notice to withdraw nolo plea of 2004, sentencing memorandum filed by the state and defendant in 2008. Please be advised, that the last time the state provided me with a tape recorded that I couldn't identify who the judge and where the hearing took place. I need those transcript in writing please. And I don't believe I had the same judge in those two hearings 2004, Feb 15, 2011. Because he himself ask who the judge was. In Sep 28, 2004. Referring to the transcript on tape both sound like the judge on ~~date~~ 2/15/2011, hearing and I think there is perjury been committed here.

in 9/28/2004, the State threw Goffstown and my  
Statement about me, so the Judge himself  
forbade me not to come to Goffstown. Both  
of these statement is not recorded as it should  
be especially the State response. I think I  
already informed the Court about this issues.

If you think I need to file motion about  
this claim places let me know soon as  
possible.

Thank you!

Katharine
